

## High School Graduation Plan Topics

### Personalized High School Graduation Plans (recommended for 8<sup>th</sup> - 11<sup>th</sup> graders)

There are so many topics to cover as you navigate through high school. I have listed some common topics that could be covered. You will need to prioritize your topics of interest so that we spend time on the topics you want. Feel free to add your own topics of things to cover since my list is not exhaustive.

Weighted vs unweighted GPA	Why are there 3 different types of high school diplomas?	Should my student take some honor's classes?
AP college credit	How much will AP, honors, and dual enrollment boost a GPA?	What constitutes an honor's class?
AP classes vs self-study before AP test	What counts as a class?	What are high school endorsements?
AP testing	How many credits are needed?	How many credits PER SUBJECT are needed?
What if student wants an associate degree while in high school?	What if the student is not going to college?	What do colleges look for from a high school student?
What if my student needs modifications?	What if I have a special needs student?	What if my student wants to play sports in high school
What if I can't teach subjects like Chemistry and Algebra 2?	Does it matter that homeschool is not accredited?	What if my student wants to play college sports?
Does my student need to take the SAT, ACT or CLT test?	What is the TSI test?	Can my student get accommodations on the SAT or ACT test?

#### Other topics of interest:

- What are the Texas Requirements for graduation?
- Is there a homeschool prom?
- Is there a homeschool homecoming?
- Are organized athletics and cheer available for homeschool students?
- Are there homeschool honor societies?
- Is there a homeschool graduation ceremony?
